

TRINITY SCHOOL OF MUSIC

Student Handbook 2021-2022

OVERVIEW

Trinity School of Music is a discipleship program of Trinity Evangelical Lutheran Church in Fort Wayne, IN. The mission of Trinity Lutheran Church is to connect people to Jesus. Trinity School of Music serves our church and our community by educating and empowering students through private instruction in piano, guitar and violin performance.

We believe that music inspires people to consider new opportunities and challenges, and instill habits that can last a lifetime: perseverance, confidence, a focus on excellence and the ability to solve problems.

We also believe that music can serve as a foundation to reach and motivate people towards a deeper relationship with Jesus. We seek to instill a passion in each student to use music as a gift to the glory of God.

The information in this handbook will provide details regarding Trinity School of Music procedures and the responsibilities of students and families who participate in school programs. We hope that it is useful for you.

We invite you to visit our church and take part in the various activities we offer throughout the year and to show appreciation for your student's progress. Please contact me or your student's instructor if you have any questions or concerns. We want to work with you to make an outstanding learning experience for your student.

Blessings to you and your family!
